Dear Mr. Dudley

Congratulations! I am extremely pleased to inform you that you have been selected to receive the very first US Army Garrison - Redstone Environmental Award for Compliance. This award will be presented annually in recognition of environmental stewardship.

This award recognizes the importance your personal effort in going the extra mile has provided to the Army Mission and Operating Organizations on Redstone Arsenal in maintaining compliance with Hazardous Material and Waste Regulations. The exceptional effort expended by the 90-day hazardous waste storage area management has made a significant difference in our ability to support the Army's mission while protecting the environment on Redstone Arsenal.

The award will be publicly announced and presented at Redstone Arsenal's annual Earth Day/Arbor Day event on Tuesday, April 22, 2003 at the Path to Nature. Awards will be presented as part of the Earth Day/Arbor Day ceremony, which begins at 10:00 a.m. We hope that you will be able to join us for this event and the celebration of the collective accomplishments of our award winners. Please arrive by 9:30 a.m.

If you have any questions please contact Ms. Gabrielle Ehinger, Natural Resources Division (AMSAM-RA-DES-NR), 256-876-3977.

Sincerely,

Robert J. Devlin  
Colonel, US Army  
Garrison Commander
